

2010 MPSC Charleston College Catch

Player Presentation Combine

May 29, 2010

Come join us for Mount Pleasant Soccer Club's (MPSC) 1st Annual Charleston College Catch/Player Presentation Combine. This event, a college recruiting opportunity, will take place on Saturday, May 29, 2010 in Mt. Pleasant, SC at the Patriots Point Soccer Complex. The Combine, attended by many of the southeast's finest college coaches, will showcase the athletic talent of male and female players from across the southeast. The Charleston College Catch is open to any player graduating in the years 2011-2014.

MPSC is very excited about hosting this inaugural event. It is planning to host 350 players and as many as 100 coaches. Coaches and players from the southeast region will travel to Mt. Pleasant, SC. Players will be participating in 11v11 matches, small-sided games, goalkeeper training, and Nike SPARQ testing. Complimentary soccer performance evaluations will be provided by CaptainU. The test results will be recorded and made available to college coaches upon request. A recruiting seminar will be held, allowing players to gain a better understanding of the college recruiting process. In addition, all players will receive a complimentary goodie bag, event T-shirt, and lunch.

For the event, players will be placed on teams, organized by year of graduation and field position. These teams will play in both 11v11 and small-sided formats against teams of similar composition. All teams will be supervised by an MPSC staff coach and players will be given the opportunity to test in one of two speed and agility sessions.
