Text Messages Sent To Your Cell Phone Wherever You Are E-mails Direct to your Home or Work

We know how frustrating it is to find out if your child's activity has been cancelled due to bad weather. RainedOut.com provides an opportunity to receive instant notifications as soon as decisions are made.

- 1: Go to www.RainedOut.com. Type in Mount Pleasant Recreation Department, SC in the name of organization box
Result: Any rained out messages will be displayed automatically (you do not need to register to see these online messages.)
- 2: If you would like to receive the message directly to your cell phone (via text message) as soon as it is posted and/or to your personal e-mail you will need to register.
 - A: On the home page under player, parents and members click on Learn More & Sign Up
 - B: On the second page enter Mount Pleasant Recreation Department, SC
 - C: On the third page click Sign Up For Mobile Alerts
 - D: Complete the registration - remember to read terms of service (registration must be renewed every six months)
 - E: If you would like to add e-mail alerts click on sign up for e-mail alerts on the registration page.
 - F: At time of registration, you will be able to select from a group of different activity areas (i.e., tennis, baseball, football, etc.).
You can sign up for as many areas as you wish. Separate messages will be sent from each subject area as applicable.

Registration is fast and easy and they do not ask for any information other than your name, address, phone number and cell phone company. As soon as you register a confirmation e-mail is sent to your personal e-mail that you will need to respond to to activate your registration.

Note: You can only register one cell number and e-mail address upon registering. There is no fee for registering. Check with your cell phone provider for any text messaging fees that may occur due to your specific phone plan. Both the rainout page on the website (www.townofmountpleasant.com, go to Recreation, click on Rainouts) and the rainout hotline at 843-884-2278 ext. 6771 will still be updated with rainout information.
